Clay sessions

An intense programme
of classes and workshops
to discover and investigate
ceramic culture.

08 - 11 June 2022

8 JUNE

14.00 - 16.00
TASTER CLASS

Our team will teach you how to make a functional object by the slab building, a fundamental technique that can help you make all kinds of shapes.

Class > beginners

16.00 - 18.00

BUILDING A TALL SCULPTURE / THE FOUNDATION

Join our team and learn how to build a sculpture with extra-large coils. The workshop is designed as a “happening” where people are invited to work with us and learn tips and tricks for making a challenging sculpture.

Workshop > intermediate - advanced

18.00 - 21.00

MORTEN ESPERSEN: FUN GLAZES (1/2)

The internationally acclaimed Danish artist offers advice on how to create unique glazes.

This is a crash course to give you confidence in improving your existing glazes and turning them into wonderful new shades and fascinating tactile surfaces.

Workshop > intermediate - advanced / english taught

9 JUNE

14.00 - 16.00

BUILDING A TALL SCULPTURE / GOING UP

Join our team and learn how to build a sculpture with extra-large coils. The workshop is designed as a “happening” where people are invited to work with us and learn tips and tricks for making a challenging sculpture.

Workshop > intermediate - advanced

16.00 - 18.00

MORTEN ESPERSEN: MODELLING CLASS

The internationally acclaimed Danish artist shares tips and techniques for hand modelling.

Class > intermediate - advanced / english taught

18.00 - 20.00

HOME INTIMACY

Make your own tableware.

The course provides the fundamental concepts and practical skills necessary for making an object using the traditional techniques of tableware production.

Class > beginners / english taught

10 JUNE

14.00 - 16.00

GO BIG OR GO HOME

During this demonstration, you will learn how to model large and composed pieces on the wheel.

Demonstration > intermediate - advanced

16.00 - 18.00

BUILDING A TALL SCULPTURE / THE TOP

Join our team and learn how to build a sculpture with extra-large coils. The workshop is designed as a “happening” where people are invited to work with us and learn tips and tricks for making a challenging sculpture.

Workshop > intermediate - advanced

18.30 - 20.30

BLUE AND WHITE MAIOLICA DECORATION

You will be guided in decorating a plate with Cobalt Oxide.

The class is designed for those who want to learn about traditional decoration and for those with a contemporary eye to implement this tradition into their work.

Class > beginners - intermediate

11 JUNE

11.00 - 13.00

MORTEN ESPERSEN: FUN GLAZES (2/2)

Analysis of glaze tests and discussion.

We will discuss the results of the tests, what went well and what went wrong, and then you are ready to continue on your own for more amazing results.

Workshop > advanced / english taught

14.00 - 16.00

VASE/VESSEL/POT

We will teach you how to make a vase with the coiling technique.

Class > beginners

16.00 - 18.00

PLASTER REALNESS

In this course, you can learn how to make a simple plaster mould of an object of your choice. You can take this mould home and get started on your own serial ceramic production.

Class > beginners - intermediate / english taught
